

Notice to Fish Harvesters

EKME #2652046

SALMON FISHERY ON THE MIRAMICHI

Moncton – August 23, 2012 - Fisheries and Oceans Canada (DFO) today announces that angling for all species on the Miramichi River system will reopen every day two hours before sunrise until two hours after sunset as prescribed in the *Maritimes Provinces Fisheries Regulations*, starting Saturday, August 25, 2012.

Pools and areas previously closed to angling (see notice to fish harvesters dated July 27, 2012) will remain closed for all species during the entire day.

Please refer to Gulf Variation Order 2012-068 for further details. The Fishery Closures / Variation Orders Registry are available online at:
